bauwerk köln

Formerly a factory in which agricultural machines were manufactured, 'bauwerk köln' is a heritage listed hall within the Technikhof (technology site) located in the Cologne district of Kalk. The hall underwent comprehensive, design-orientated modernisation works in 2003 and now provides 666 sqm of space over two floors. Be it company events, presentations, symposiums, conferences, private art viewings or private celebrations, the modern features and historical ambience of the bauwerk köln make it perfect for gatherings of up to 400 people. Organisers can use the whole area or a part thereof without problem – we simply make the amount of space you need available.
